He is Chairman of the Committee on the State of the Order, the leading committee of the Sovereign Grand Lodge.

The Ladies.
The pleasant effect and perfect safety with which ladies may use Syrup of Figs, under all conditions, makes it their favorite remedy. To get the true and genuine article, look for the name of the California Fig Syrup Co. printed near the bottom of the package. For sale by all druggists.

THE WOMEN AND CHILDREN.

Their Wants Have Been Looked After at the Coming Carnival.

At the Ohio State Fair recently held at Columbus there appeared Fred Lerke's Great Arabian Horse and Dog Show, which was visited by patrons who pronounced it a wonderful exhibition. His collection of animals astonished the crowds by their marvelous feats and positive intelligence, doing nearly everything but vocalize. Mr. James W. Fitzgerald, who is one of a party of Maysville merchants who are behind the Carnival and Horse Show to be held at the Fairgrounds next week, put himself in communication with Mr. Lerke, and the result is an engagement of this popular amusement for that week. It is to be seen twice daily, afternoon and night, for the three days next week.

Twenty-five cents is a very low admission and the line of attractions, the liberal premiums, the excellent music, the rings, races and novelties certainly should be an amulet to draw a very large crowd of visitors to our city. Let it be emphasized that at night arc lamps are to be used for lighting the track and amphitheater, so there can be no cessation of pleasure. Imagine, if you please, how weirdly peculiar, how originally original, how bewilderingly beautiful will be the night shows. It is a novelty, a unique idea, which will herald the ability of Maysvillians and cause hundreds to come who can't help but appreciate this daring desire to be the first to use the night for what before was one of the impossible things. Thursday next at 7:30 p. m. the Fair begins and continues afternoon and night till Saturday, September 21st, 22d, 23d, which dates fall in next week. Remember now.

Just received, the most select line of Cut Glass, Bronzes and Sterling Silverware ever brought to this city—all new designs. Prices lower than asked for inferior goods. All my goods are bought direct from manufacturers and not through Cincinnati jobbers.

Gov. John Young Brown Hot After Our Own Charlie.

PLEASED WITH HIS RECEPTION

Covington Commonwealth.

A representative of The Commonwealth has had the pleasure of an interview with John Young Brown, the giant standard-bearer of Democracy.

Governor Brown had just returned from his Maysville trip, and though tired out and hoarse, greeted The Commonwealth man cordially and paid the paper a gratifying tribute for its uniform adherence to the cause of the people. He was in excellent spirits and not a spark of his old-time fire has departed from him.

OLD GLORY ALOFT

Flag Raising Yesterday in School District No. 50.

PURELY PATRIOTIC OCCASION.

The handsome new schoolhouse in District No. 50, Oklahoma, presented an animated appearance yesterday, a tureen, filled and surrounded as it was with patrons, school children, members of the Junior Order United American Mechanics and others, the occasion being the presentation of a Flag and Bible to the school by the representatives of this patriotic organization.

The school building is one of the neatest and most complete in this section, and reflects great credit upon Messrs. George N. Harding, Thomas W. Tolle and Benjamin Sweet, the Trustees under whose direction it was erected.

The teachers, Mr. Charles Turnipseed Principal and Miss Violet Graham Assistant, are worthy of praise for the handsome appearance of the surroundings and for the excellent department of the scholars.

The exercises opened with the hymn "America," in which the entire assembly joined.

This was followed by prayer by the Rev. T. B. Stratton of Selden's Chapel.

Dr. C. A. Jansen of Newport, one of the state officials of the Junior Order, delivered an address, setting forth the principles of the Order, chief among which was the perpetuity of the American system of Free Schools.

Following this Mr. Thomas M. Russell, Past Councilor of John V. Keech Council No. 16 of this city, in a very elegant and appropriate address, presented to the Trustees of the School an American Flag, to be kept floating above the schoolhouse.

On behalf of the Trustees the Flag was accepted by Mr. Thomas A. Davis, and at the conclusion of his remarks it was raised on the staff which had been provided for it.

As the Flag unfurled to the breeze the children sang the patriotic air "Red, White and Blue."

Mr. Russell then presented the Trustees with a copy of the Bible, which was accepted by Mr. George N. Harding, with the promise that it should always have a place in the schoolroom.

The Rev. F. W. Harrop was then introduced and in an address which was replete with wit, pathos and patriotism, he entertained the audience most delightfully for some twenty minutes.

A song closed the program for the evening and the crowd dispersed.

This was the first formal flag raising on a Public School building in Mason county, but the Junior Order will see to it that hereafter every Public School is furnished with a copy of Old Glory.

NEWSY NOTES FROM NATURE'S GREAT HIGHWAY.

There will likely be a little coal get out of the Kanawha on the present rise.

The E. A. Woodruff is pulling out the obstructions in the upper end of the Ohio.

The Rouben Dunbar and the Argand have been the low water boats in the Cincinnati and Pomeroy trade.

Coal operators at Pittsburgh hereafter will take few risks in shipping coal on scow water, the accident which occurred at the trap Tuesday night having caused a feeling of caution among those interested in river business. It used to be the common practice to send barges of coal out on 5 1/2 feet of water, but hereafter an 8-foot stage will be needed to get the majority of operators to ship tons. The whole trouble is due to the conditions at new dam, where the accident occurred, and the general opinion is that dredging will not help matters. The three rivers are still failing.

Mr. R. M. Wallingford of the Sixth Ward has for the past three weeks been at Kansas City, Mo. Mr. Wallingford writes The Ledger of the fine condition of the city, its opportunities for working-men and the business interests generally.

No Guess Work.

When a person comes here for Eye Glasses we don't take up the first pair of ready made ones we find and say, "Here are the very ones that will suit your eyes." That would be guess work. Instead we give the eyes a careful examination, finding out just what lenses are needed, and then making them. No charge for examination.

Autumn Fabrics!

IN BLACK.

CREPONS

Are here again for fall—especially when combined with etamine or spingle weaves. The witchery of these new Crepons is beyond telling. They are of worsted, mohair, wool. The choicest are worsted foundation, above which rise ridges, furrows, stripes, billows and blisters of shingle silk. The woman who buys a Crepon without first inspecting our collection does a great injustice—to herself. Prices, \$1, \$1 25, \$1 39, up to \$3 50.

PRUNELLA

A German born fabric. Extra weight, 45-inch grade. 75c.

SICILIAN

An English stuff. More like silk than many silks, polished like black marble. 75c., \$1.
